2022-2023 Tuition Rates

ELEMENTARY SCHOOL TUITION (Kindergarten)

First Child (Oldest): \$8,250/year

Second Child: \$7,425/year

Payment Options

Grade	Annual Option	Semester Option	Ten Payments Option
Kindergarten	\$8,100	\$8,150 (2 payments of \$4,075)	\$8,250 (10 payments of \$825)

Payment Plan Options

Holy Word Christian Academy will use a forum to manage payment plans for our families. This first year, we will not require all tuition payment plans, including Before/After Care plans, to be set on automatic draft. As we are in discussions of merging the school and childcare center, we want to be sure to streamline all tuition payments & policies. In the future, the shift will most likely be made to requiring that all payments be set on automatic draft. With our payment forum, families may choose to use a checking or savings account, or for an additional processing fee may use a credit card. Payment frequency options are listed below:

1. Full payment due by **August 1st** - \$150 per student discount offered for this option
2. Semester payments due by **August 1st** and December 1st - \$100 per student discount offered for this option
3. Monthly payments due the 1st *OR* 15th August–January, March-May
4. Bi-monthly payments due the 1st **AND** 15th August–January, March-May

We do not charge additional fees for choosing an extended payment plan. February is “skipped” for tuition since families will be paying the next year's enrollment fees. If withdrawal from Holy Word Christian Academy occurs after August 1st, all tuition paid will be non-refundable and families will be responsible for additional payments per the 30-day notice policy (see Handbook).

Other Fees

Tuition does not include optional activities including field trips (elementary school), class trips (middle school), athletics, or Before/After School Care. Lunch will be brought from home.
